EXPECT DELAYS: Overnight Lane Closures to Impact Traffic on Downtown Connector

WHAT: Weather permitting; Georgia DOT contractors will close the I-75 northbound lanes between 10th Street and the Brookwood split (where I-85 northbound and I-75 northbound separate) and all lanes will close on I-75 southbound between the Brookwood Interchange and 10th Street. The lane closures will allow contractors to resurface the Downtown Connector. Motorists traveling in either direction will use the high-occupancy vehicle (HOV) lanes during the closure.

Motorists should expect delays while crews work to create a smoother ride. The Downtown Connector was resurfaced in 2008.
